

Partner Line Card

Sure Controls Inc.™

Delivering top-tier web handling, thermal & fluid, and robotics solutions from premier partners—engineered for manufacturing excellence.

Web Handling

Get tighter control, better alignment, and faster changeovers with our advanced web handling systems and products. Backed by industry leaders, our solutions are designed to tackle tension, tracking, and speed challenges head-on.

Thermal & Fluid

From power controllers to process controllers and heaters, we represent best-in-class brands that ensure uptime and consistency. Our offerings deliver precise control and energy savings for demanding industrial processes.

Robotics

From flexible feeding to autonomous transport, we partner with leading brands to bring you smarter automation. We help you streamline complex tasks with precision, speed, and flexibility—maximizing productivity on your floor.

Preferred Partners

Partner Line Card

Delivering top-tier web handling, thermal & fluid, and robotics solutions from premier partners—engineered for manufacturing excellence.

Heaters

- ASB Heating Elements
- BriskHeat
- Dalton
- Duratherm
- SureHeat
- Tempco
- Tutco-Farnam
- Watlow

Motion Control & Robotics

- Asyrl
- Brooks
- Coval
- Mecademic
- Nidec
- Parker Hannifin
- ROEQ
- Schunk

Motor Control

- HITACHI
- MTE
- Nidec
- Parker

Networking

- Red Lion /HMS

Operator Interface

- Ignition
- OnLogic
- Red Lion / HMS

Power Controls

- Carlo Gavazzi
- Eurotherm
- Watlow

Process Controls & Indicators

- Dynisco
- Eurotherm
- Red Lion
- RKC
- Watlow

Recorders

- Eurotherm
- RKC
- Watlow

Safety

- ReeR

Sensors

- Carlo Gavazzi
- Duratherm
- Dynisco
- Exergen
- Red Lion
- Rice Lake Weighing Systems
- Sensor Tec
- Tempco
- Viatran
- Watlow
